Halloween Hello "BOO" Wall Hanging

Supplies:

Stamps: Halloween Hello

Inks: Black Stazon

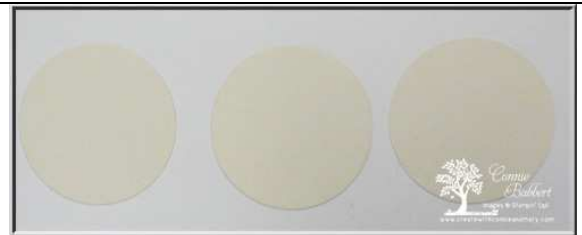

Paper: Witches Brew Designer Paper, Silver Glimmer Paper, Summer Starfruit, Pumpkin Pie, Basic Black, Very Vanilla

Accessories: Orange Stampin' Glitter, Circle Framelits, 2 3/8 Scallop Circle Punch, Typeset Alphabet Bigz Dies, Basic Black and Pumpkin Pie Chevron Ribbon, Monoadhesive Glue, Stampin' Dimensionals, Sticky Strip, scrap 1/8 Pumpkin Pie Taffeta (center of bow), Sanding Block, Sponge Dauber

Step 1

Use 3 round coasters. I purchased blank ones from an online beverage store, but the ones from Olive Garden work great, too!

Step 2

Cut 3 patterns of Witches Brew Designer Paper and 3 Basic Black cardstock circles with Circle Framelit (3rd from largest).

<p>Step 3</p> <p>Glue the DSP to front of the 3 coasters. Use the sanding block to smooth off the excess paper around the edges.</p>	
<p>Step 4</p> <p>Use a Sponge Dauber and Black Stazon Ink and cover the edges of the coaster with black ink.</p>	
<p>Step 5</p> <p>Cut 3 Basic Black Circles (5th from smallest) from Circle Framelits and adhere with Monoadhesive to 3 punched Silver Glimmer Paper 2 3/8 Scallop Circles.</p>	
<p>Step 6</p> <p>Brush on Monoadhesive on front of cut BOO letters, apply Orange Stampin' Glitter to front. Let dry and shake off excess.</p> <p>Adhere to Black circles in Step 5 (Silver Glimmer Scallop Circles not shown here).</p>	
<p>Step 7</p> <p>Apply Sticky Strip to the two end coaster backs (DSP is on front).</p> <p>Add Basic Black Chevron Ribbon.</p>	

Step 8

Adhere large Basic Black circles cut in Step 2 to back of coasters to hide ends of ribbon and finish off the back.

Step 9

Cover center coaster back with Basic Black large Circle Framelit in Step 2. Apply Stampin' Dimensionals to back side.

Step 10

Adhere the center coaster with Stampin' Dimensionals to the side coasters as shown.

Step 11 Finish decorating.

Add the Boo circles to center of covered DSP coasters. Stamp images from Halloween Hello in Basic Black and cut out with Paper Snips. I stamped 2 candies with Black Stazon on Pumpkin Pie, 2 bats and 1 skull with Black Stazon on Very Vanilla. Cut a 1/4 x 2" banner with flag end from Summer Starfruit, stamp Halloween Hello. Tuck and adhere under center O. Add a bow of Pumpkin Pie Chevron Ribbon to one side of Black Chevron Ribbon hanger. Hang on door or wall as a fun Halloween decoration!
