

MINI TREAT BAG FRAMELIT BOXES TUTORIAL

Supplies:

Stamps: Petal Potpourri

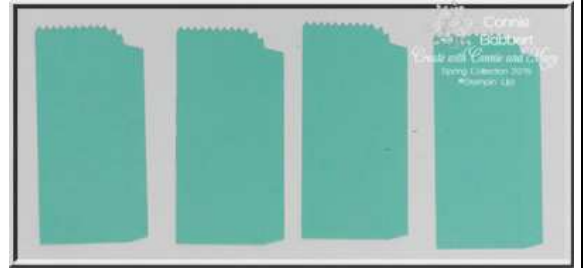

Inks: Crushed Curry, Calypso Coral, Mossy Meadow

Cardstock: Coastal Cabana, Whisper White, Calypso Coral, Wild Wasabi

Accessories: Best Year Ever Designer Paper, Best Year Ever Accessory Pack, Flower Medallion Punch, 7/8 Scallop Circle Punch, Mini Treat Bag Framelit, White Bakers Twine, Cello Bag, Mini Brads, Piercing Tool, Stampin' Dimensionals, Mini Glue Dots, Sticky Strip, Paper Snips

Step 1

With the smaller half of the Mini Treat Bag Framelit, cut out 4 pieces from Coastal Cabana cardstock.

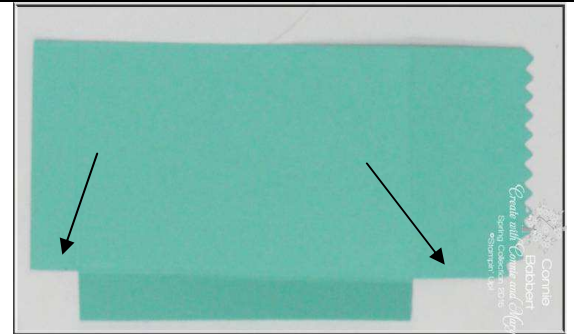

Step 2

Determine the height of your box by the scoring.

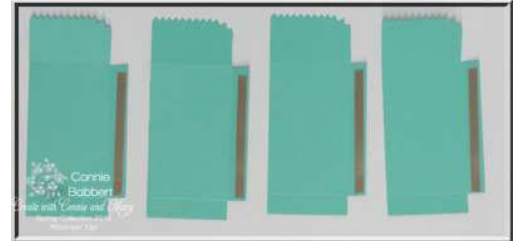

I scored at 1/2 and 4 for the closed box. I scored at 1/2 and 3 1/2 for the handle box.

Cut off excess tabs right and left of score lines.

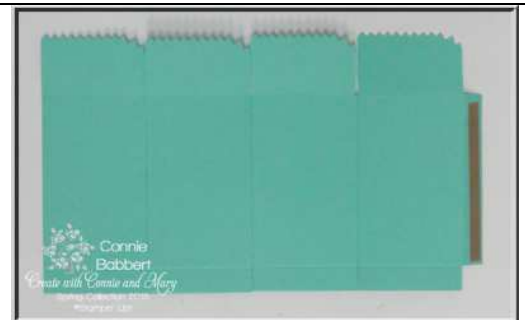

Step 3

Add Sticky Strip to each tab.

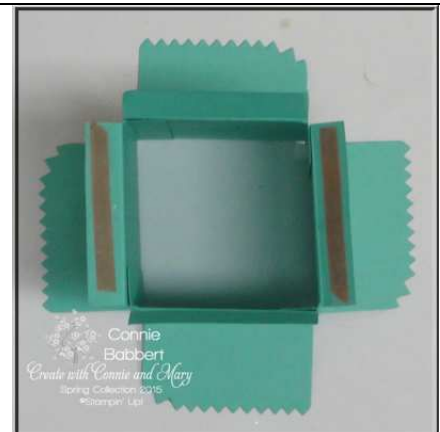

Step 4

Adhere all four sides together side by side.

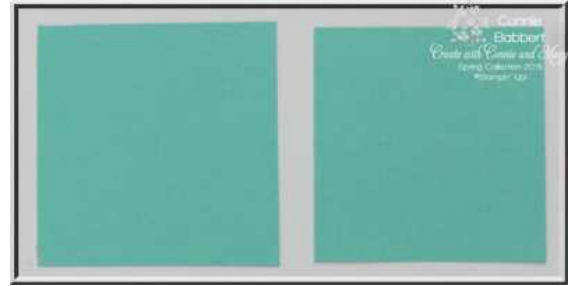

Step 5

Place two pieces of Sticky Strip on bottom 1/2" flaps and adhere closed.

Step 6

Cut one 2 1/8 x 2 1/8 and one 2 x 2 piece of Coastal Cabana cardstock for bottom and inside bottom reinforcement.

Step 7

Cover bottom with larger 2 1/8" square.

TO FINISH HANDLE BOX:

Step 8

Adhere smaller 2" square inside bottom of box for extra reinforcement.

Start decorating. I added 1-1/4" x 2" stripes of Best Year Ever Designer Paper to flaps on the handle box.

Step 9

Add a 3/4 x 8 1/2 strip of Coastal Cabana for handle. Pierce thru flap on two opposite sides of box, place head of brad on INSIDE of box, so legs of brad are on outside of DSP.

On other two sides, secure to side of box with Stampin' Dimensionals.

Step 10

Add Best Year Every Accessory Pack buttons, tied with White Bakers Twine, over brad legs with Mini Glue Dots.

Step 11

Decorate front of box by stamping doily flower from Petal Potpourri with Calypso Coral Ink on Whisper White and punch with Flower Medallion Punch. Stamp center image with Crushed Curry ink and punch with 7/8" Scallop Circle punch. Add small Coastal Cabana button to center.

For leaves, stamp Petal Potpourri flower with Mossy Meadow Ink on Wild Wasabi cardstock, punch with Flower Medallion Punch, cut off two petals. Adhere under flower. Add Flower to front with Stampin' Dimensionals.

TO FINISH CLOSED BOX:

Before enclosing box, add 1 7/8 x 3 1/4 panels of Best Year Ever Designer Paper to sides.

Add bottom and inside bottom the same as handle box. Overlap the folded top flaps closed (they will not be secure.)

Decorate the front by cutting the banner from Crushed Curry print DSP with the Mini Treat Bag accessory piece and enjoy from Calypso Coral cardstock.. Add to front with Stampin' Dimensionals.

Stamp doily flower image from Petal Potpourri with Crushed Curry ink on Whisper White, punch with Flower Medallion Punch. Add Calypso Coral Button tied with White Bakers Twine to center.

Stamp flower image with Mossy Meadow Ink on Wild Wasabi cardstock, punch with Flower Medallion Punch, cut off two petals for leaves. Adhere under flower.

Add two Stampin' Dimensionals under flower so that one is secured to one top flap and the other to the second top flap. This will hold the box closed.

Add Cello bags filled with candy!

TIP: As I mentioned earlier, you can change the scoring placement to vary the height of the boxes and flaps! Have fun!
